

Advanced planning and preparation is key to a successful and memorable hunt. In order to enjoy the New England hunting experience you've been hearing about, please make note of the following information:

For those of you, who are repeat customers, **Perfect Limit** is now using a new suite-style hotel for the hunting season. The **Springhill Suites by Marriott** is located directly next to our former hotel, Homeward Suites, on Route 1, in Peabody, Massachusetts. Mention **Perfect Limit** when booking your stay for our special discounted rate.

Arrange for a rental vehicle for transportation during your stay. You will be responsible for getting to and from the designated boat ramp each day, and it will provide you with convenient recreational transportation during the hours after each day's hunt.

For those of you who will be having your specimens shipped home following the hunt, provide shipping labels U.P.S. 60 lbs., 20" sq. each box, or U.P.S. or FedEx charge number, upon arrival.

All freezing, packing, and shipping containers are provided at no charge.

Your guns: For your personal safety and the safety of others, no slings in use on guns while in the boat. It is requested that you have a soft case or gun sock while hunting. All guns must be carried in soft cases while in hotel lobby.

Ammunition:

Perfect Limit will continue to provide unlimited shells for each day's hunt. As in previous years, these are at no extra charge. Special requests will continue to be provided at no extra charge.

With a little bit a planning, you can look forward to a memorable New England hunting experience.
